Fred Paxton-Community Business Leader

December 28, 1931—April 2, 2006

We are asking for the assistance of many more businesses and organizations in our community to help us truly make the significant positive impact to really improve our community as in the vision of the late Mr. Fred Paxton and wife Peggy when they made the donation just five months before his death in April 2006.

We have made many positive strides in these past few years but the need is greater each year than the previous year for our clients as they attempt to set higher goals in life and work diligently to reach those goals.
